Hollywood 38, Calif.**

Fellow A.N.A. Members:

In conducting this, my Sixth Auction, I have included many lots of excellent material from my previous associate, Henry H. Zeckser, President of the Seattle Coin Club, as well as some superb lots of stamps from my good friend, Major William Hornbeck, AUS. Both are well known in their respective fraternities and each has sanctioned my Guarantee of Absolute Satisfaction, which is outlined more fully in the Terms and Conditions listed below, and is to your advantage to read.

JACK W. OGILVIE,
A.N.A. Life Member 93.

CONDITIONS AND TERMS

The usual rules regarding bidding will prevail.

All Bids are by the **Lot**.

No Commission Charges for executing bids, or **No Charges for Packing**.

Only **Postage and Insurance** will be added to the total of your invoices.

All lots are **guaranteed genuine** and **fully as represented**.

Uncirculated means nice, brilliant, desirable coins. **Other coins are graded conservatively**.

If **you** are not **satisfied in every way**, return what you do not approve within three days, purchasing **only satisfactory material**.

Coins will be bid in for you as cheaply as possible; allow for this, and if your bids are too high they will be **lowered**. Save my time and your postage by avoiding ridiculously low bids.

War mails are slow; allow for this.

Terms are **Cash**, and all material remains my property, until paid for.

Coins sent for your inspection do not in any way constitute establishment of credit.

Parties who have not previously established their reliability must give satisfactory reference or send 25 per cent of their bids, otherwise they will be notified of their successful purchases, and expected to remit before delivery of merchandise is made.

Figures following lots are either Catalog prices which as you know, in instances are far under present selling prices, or in certain cases, my estimate. They are solely for your convenience, you may bid higher or lower.

All invoices totaling under \$1.50 may be paid for in War Stamps.

Price List of Sale is 25c—Coin or War Stamps.
